Open Days 2026

Getting around by bus

We want to make your visit to the University Open Days as stress-free as possible, so have put together this guide to help you find the best bus route to the sites and Colleges you want to see. We've shown bus routes that stop closest to each destination, and run frequently throughout the day - most buses run at least every 15 minutes.

Bus stop names are the same that online journey planners use (e.g. Google) and also shown on the on board announcements on most buses. If you're not sure, just ask the driver or one of our travel ambassadors.

Buying your ticket

Buses on routes U1 and U2 ('Universal') are run by local company Whippet. Park & ride buses, and those on routes A, 1, 3 and 7, are run by Stagecoach.

You can buy single tickets and all-day tickets for Whippet or Stagecoach buses. Pay for all bus tickets when you get on with cash or contactless (including Apple Pay and Google Pay).

Stagecoach tickets can be used on the Whippet Universal route to return to Madingley Road park & ride site. Stagecoach routes will not accept Whippet tickets. If you want to travel on routes run by either bus operator, ask for a Multibus ticket - valid on any bus except Stagecoach route A.
